

Lune Valley DTC Rally
Class Allocations & instructions
Thursday 30th July 2026, Saturday 1st August & Sunday
2nd August 2026

**Westmorland County Agricultural Showground, Crooklands, Nr
Kendal, Cumbria, LA7 7NH**

Show opens 8.30am – First walk through 9.00am – Judging starts 9.30am

Afternoon walk through not before 1.00pm

Show closes half an hour after completion of judging.

Presentations will be after the morning classes have finished and before the afternoon classes start. The second presentation will be after all afternoon classes have ended.

DIRECTIONS TO VENUE Leave M6 at Jct 36, follow signs for A65. At small roundabout go left onto A65, (signposted Endmoor) after approx. 1 mile, turn left opposite The Crooklands Hotel, the entrance to the Showground is on your right after about 1/2 mile, this entrance is for camping units only.

CAMPERS - THERE WILL BE NO ENTRY TO THE SHOWGROUND BEFORE 2.30PM ON TUESDAY 28th July. If you wish to camp near to the field where the Rally will be taking place then the Rally camping will be on the left as you go through the main entrance, but you may camp elsewhere if you wish, there's a lot of room. After the main gate there is a gate into the main field, you must book in at the caravan on your right so that you can be 'ticked off'. There are obedience shows Thursday, Friday, Sunday and Monday so if arriving to camp on any of those days you will need to drive through the main gate and find a space but you will still need to book in as above. If there's no one at the caravan, they may be judging please let Gail know that you are here. There is a **5MPH** speed limit at the venue, please stick to this. You cannot drive through the obedience fields on show days but can camp anywhere on the outside.

Day parking will be signposted, go past the main entrance then turn next right towards Lane Farm (before the bridge), go past the buildings and turn right through the open gates into the field. The rally will be in a separate field to the obedience

show, parking is available near the rings so as you drive in there is a field on your right. Because of barking dogs and dogs leaping out of vehicles please can everyone reverse into a space so that the back of the vehicle is against the hedge. The obedience parking and any overflow from the rally will be on the left, you may park there if you wish, this is also the exercise area on the other side of the parking. There will be helpers with **pink** tabards on to help you. **YOU MUST PARK AS DIRECTED**. There is a **5MPH** speed limit at the venue, again please stick to this.

1. Please book in at the marquee or the table which may be outside (depends on the weather) and either bring your own competitor number or there will be card available to write your own if you prefer. If competing all three days your numbers will be the same for each dog.
2. Find your ring and choose your running order, check below for any running orders in the higher levels.
3. Relax and have a break before the walk through, portaloos available in the field or there are extra behind through the gates, please keep these gates closed.
4. Any problems look for the helpers wearing **pink** tabards or ask at the marquee.
5. **Dogs must be on lead at all times in the Rally field or where the obedience is taking place**, only exception when working in the ring, if you wish to practise the exercise area is across from the entrance to the field, lots of space. Please make sure your dog(s) are under control at all times.
6. You must be at the ring when it's your turn, if you think that your times may clash with another class please add a note to the running order sheet or let the judge/scribe know.

PLEASE HELP US TO KEEP THIS VENUE BY ENSURING YOU CLEAN UP AFTER YOUR DOGS – BINS WILL BE PROVIDED.

DOGS IN VEHICLES ON HOT DAYS Your dog is vulnerable and at risk if left in a vehicle in high temperatures and even on days considered as slightly warm. Please take care of your dog. If your dog is found to be at risk forcible entry to your vehicle may be necessary without liability for any damage caused.

CATERING - There will be a catering van in the main field, serving refreshments throughout the day, a 5 minute walk from the Rally field. Food will be available from tea time on Tuesday until Monday afternoon. Evening meals may need to be ordered during the day as they will be busy. There will be cold drinks and a few snacks available near the rally marquee for sale, honesty box will be provided.

STALLS – Raw Feeding Plus will be selling raw food, treats and natural goodies. Julie will be selling her achievement charms. Also the Crufts Northern Rally stall raising funds for team 2027 will be there with a tombola, raffle and also a second hand doggy stall. Caroline from the Isle of Man will have a stall in the Rally field with a few goodies. There will also be stalls in the obedience field.

Walk throughs

Walk throughs 9am – Judging 9.30am
 Walk throughs not before 1pm –
 Judging 1.30pm (There are some exceptions due to scribes working their dogs first)

Please do not interrupt the scoreboarders, scribe sheets will only be available at the end of the morning and afternoon presentations with the judge present. Any problems speak to the Chief Steward.
