ELIGIBILITY AND SCHEDULE OF CLASSES

Classes at Rally Competitions

A competition host may stage one or more special classes not conforming to the standard class tests set out in Annex C of the Regulations. Such classes must contain the word 'Special' in the title of the class, and shall not count towards progression, titles or awards in standard competition classes.

Levels

Rally handler/dog teams compete in their lowest eligible class from Level 1 to Level 6. They may also compete at the subsequent level. Progression to the next level does not require either wins or places, however, a class will be won by the dog that has lost the least number of points, unless otherwise stated for special classes. Progression is dependent upon gaining three Excellent scores, under three different judges, or six qualifying scores under four different judges.

Levels 1 – 4 have a qualifying score of 175 out of 200

Levels 5 & 6 have a qualifying score of 180 out of 200

Scores equivalent to these qualifying scores (or greater) earned at Limited Rally Competitions do not count towards Progression, Rally Level Titles or Excellent Titles. In all levels a qualifying score of 190 or above equates to an excellent score. Rally/Handler dog teams where the dog is 7 years of age or older may compete in veteran as well as, or instead of, their lowest eligible class. Veteran has a qualifying score of 175 out of 200. A qualifying score of 190 or above equates to an excellent score.

Eligibility

When entered for a competition, a dog must be entered in a standard class at the level for which it is eligible. The dog may also, if desired, be entered in up to two additional classes including one further standard level class at the subsequent higher level. **Once a dog has gained any level or excellent title, it is no longer eligible for any lower level.** A dog which is 7 years old or over on the first day of the competition may be entered in just a Veteran class. It may also be entered in standard level classes and special classes to a maximum of 3 classes in total. A dog may be entered in special classes only, up to a maximum of 3 classes in total. Special classes do not count towards progression.
