

## **RLC Consultation on where to remove the lead for the Level 2 Bonuses**

The Rally Liaison Council is grateful for the feedback received on the proposed new framework for Rally. Some items have been identified for possible implementation in 2027 which we will be opening a new consultation on soon.

In the meantime we have received a request from the community to add an option for where competitors remove their lead for the Level 2 bonuses. Sit Leave Dog - Call to Heel and Sit Leave Dog - Turn Recall Handler Finish.

Currently Level 2 competitors either remove their lead at Bonus Sign A (Sit Leave Dog) or drop their lead for the dog to drag - there are no plans to remove either of these options in 2027.

The suggestion is to add the option to remove the lead after the Finish but before going past the Bonus Start sign. This will become mandatory for all bonuses in Level 2 when the new framework is introduced (currently planned for 2028) - the question is whether you would like to option to remove your lead before attempting the bonus in 2027.
